

Thank you for your interest
in Slatersville Preschool and
Kindergarten.

Our program is designed to provide
both age appropriate and
individualized activities which will
stimulate and challenge your
curious, creative young learner.

Through all of our activities, it is our
goal to **encourage your child's**
feelings of self-worth and
confidence, and to build a sense
of community through the sharing
of experiences and ideas with his
or her peers.

We look forward to learning and
growing with you and with your child!

Anne L. Kilkenny, M. Ed.

Slatersville Preschool provides a number of **schedule options**:

- Half-day Preschool
 - 2, 3 or 5 days/wk
- Full-day Preschool
 - 2, 3, 4 or 5 days/wk
- Full-day Kindergarten
 - 5 days/wk
- Early Learners Program
 - Half or full days

We follow a school year calendar. We also offer our students **extended care** before and after school at an hourly rate.

There is a \$25 non-refundable registration fee which must be paid when you register in order to secure your child's space in class. Confirmation of enrollments will be mailed after April 1st.

If you would like more information or are interested in a tour, please contact us at 401-597-5590.

A **flexible** but basic **routine** is followed each day to give the children a sense of **safety and security**. Teachers facilitate learning by providing the children with the necessary materials, asking questions, and interacting in a way that **promotes the development of problem solving and social skills**.

The classrooms are set up with a variety of **learning centers** which facilitate exploration and learning.

These centers include:

<i>Writing</i>	<i>Science</i>
<i>Literacy</i>	<i>Dramatic play</i>
<i>Art</i>	<i>Math</i>
<i>Blocks</i>	<i>Sand & water</i>
<i>Computers</i>	<i>Music & movement</i>

Children are encouraged to explore, gain new information and master new skills through their interaction with the real life situations and hands-on activities within these learning centers.

Our **caring, qualified teaching teams** design and offer these carefully prepared activities to reflect the needs and interests of the children.

The curriculums for all of our programs are based on the National Association for the Education of Young Children Guidelines as well as the Rhode Island Early Learning Standards and the Department of Education's Grade Level Expectations for Kindergarten.

Our low child to teacher ratio combined with our professional, experienced staff provides a nurturing, safe environment in which your child will learn and grow.
